Phoenix, Arizona 85066 USA

**M**any of our nation's internal protectors know of the well-laid plan which will culminate before the year 2000, to usher the United States, along with the rest of the nations of the world, into a 'utopian' global community allegedly under the control of the 'philanthropic' United Nations.

Allegedly this New World Order is being set up to save the people of the world from a whole variety of 'imminent' life- and world-threatening disasters. Of those sworn protectors of the people that are aware of this scheme, few realize that the actual behind-the-scenes plan is for an oligarchy of the world's richest families to place half the masses of the earth in servitude under their complete control, administered from behind the false front of the United Nations. To facilitate management capabilities, the plan calls for the elimination of the other 2.5 billion people through war, disease, abortion and famine by the year 2000. As we can plainly see, their plan for 'population control' (reduction) is well-established and under way.

Our Operation Vampire Killer 2000 plan involves the education of our fellow officers to the extreme need for them to take an immediate and active role in assisting their fellow Americans in stopping this plan for world dominion, using every lawful means available.

Our government, to maintain privacy in its activities, has long been in the practice of choosing unusual names for covert operations, such as *Transylvania & Co.*, *Garden Plot*, *Operation Watch Tower*, and *Operation Cable Splicer*, to name a few. We officers, while in the alternative, desiring the greatest amount of publicity about our plan of attack against these anti-American types, likewise have chosen a cute little name for our off-duty, First Amendment police action. That name is *Operation Vampire Killer 2000!*

What can we do? What should we do? The globalists' agenda is a diabolical programme which, through patient gradualism, is slowly draining the moral, economic and political lifeblood from the United States and the hard-working American people.

"From their works you will know them."

Man's desire to rule the world is as old as his presence on earth. The 'New' World Order is actually the same old plan for world domination. Some among us ask, "How shall we know when tyranny has come to America's door?" There are very few answers that our founding fathers failed to leave us regarding the proper and improper role of government.

"When the government fears the people there is liberty; when the people fear the government there is tyranny."

There is no question at this time in our history that Americans fear their government.

## THE WORLD MONEY POWERS

Do we wonder why so many Americans are being sucked dry and are losing their homes, farms and businesses each week? Is it just 'cyclical economic downturn' as the establishment 'experts' and controlled media tell us? It would be wise to consider this secret communiqué, circulated among the leading US bankers in 1934, entitled *The Banker's Manifesto*:

"Capital must protect itself in every way... Debts must be collected and loans and mortgages foreclosed as soon as possible. When, through a process of law, the common people have lost their homes, they will be more easily tractable and more easily governed by the strong arm of the law applied by the central power of leading financiers. People without homes will not quarrel with their leaders. This is well-known among our principled men now engaged in forming an imperialism of capitalism to govern the world. By dividing the people we can expect them to expend their energies in fighting over questions of no importance to us except as teachers of the common herd."

From the civil servants' yearbook, *The Organizer*, 1934.

Well, fellow "strong arms of the law", Americans are now losing 4,000 homes, 2,000 farms, and 2,500 businesses per week to the money vampires who made that statement. How many homes, businesses and farms have you helped take away from good Americans for the IRS/banksters? For those officers who still do not know it, "Yes, the IRS is an essential part of the world order plan to divest Americans of their wealth, and make the people themselves pay for their own national destruction."

## MEDIA BLACKS OUT THE FACTS

"But surely, if this world conspiracy were true I would have heard about it in the daily news!"

As in all our investigations, it always comes down to, "How can we prove our case?" We personally feel that it's hard to top the proof coming from the mouths of the very ones involved in this treacherous un-American programme.

"There is no such thing, at this date of the world's history, in America, as an independent press. You know it and I know it. There is not one of you who dares to write your honest opinions and, if you did, you know beforehand that it would never appear in print. I am paid weekly for keeping my honest opinion out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write honest opinions, would be out on the streets looking for another job. If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone.

"The business of the journalist is to destroy the truth; to lie outright; to pervert; to vilify; to fawn at the feet of mammon; and to sell his country and his race for his daily bread. You know it and I know it, and what a folly is this toasting an independent press?"

"We are the tools and vassals of rich men behind the scenes. We are the jumping jacks; they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes!"

John Swinton, former Chief of Staff, *The New York Times*, in an address to the New York Press Club, 1953.

"Our job is to give people not what they want, but what WE decide they ought to have."

Richard Salant, former President of CBS News.

## WORLD GOVERNMENT UNDER THE UNITED NATIONS

Just what is this most 'wonderful' global organisation all about? Dr Kurk E. Koch, a professor who has lectured at 100 universities in 65 countries on 5 continents, and whose subjects of expertise include the New World Order, assesses that the NWO under the United Nations will reduce everything to one common denominator:

"The system will be made up of a single currency, single centrally financed government, single tax system, single language, single political system, single world court of justice, single head (one individual leader), single state religion. Each person will have a registered number, without which he will not be allowed to buy or sell; and there will be one universal world church. Anyone who refuses to take part in this universal system will have no right to exist."

We should ask the following questions of these fellow officers who doubt they will be asked to enforce such a system on the American people: Who do they think will enforce all of this? Who will make the masses 'fit in'? Who will 'remove' those who do not fit in? Will it be the auto mechanics, bankers, school teachers, bakers or candlestick makers? Or, is it more likely to be the law enforcement officers?

Zbigniew Brzezinski, National Security Advisor to President Jimmy Carter, and advisor to four other presidents, Executive Director of the Trilateral Commission, Marxist (and proud of it), speaks about what a New World Order will be like:

"The technotronic era involves the gradual appearance of a more controlled society. Such a society would be dominated by an elite, unrestrained by traditional values. Soon it will be possible to assert almost continuous surveillance over every citizen and maintain up-to-date complete files containing even the most personal information about the citizen. These files will be subject to instantaneous retrieval by the authorities."

## THE RELIGION OF THE NEW WORLD ORDER?

David Spangler, Director of Planetary Initiative (a United Nations world government group), states: "No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a Luciferian initiation."

And from Ralph Nader: "Is there a number or mark planned for the hand or the forehead in a new cashless society? Yes, and I have seen the machines that are now ready to put it into operation."

This 'marking' may be another job for our US police officers/guardsmen, soon to be UN enforcers, who have taken the oath of allegiance of the United Nations.

A 1992 French 'New World Order' colour travel poster depicts people as robots, constructing a new Tower of Babel inside the old tower that God had destroyed. These robotic people are trying to reach their god who is depicted with the sign of Lucifer (the Goat of Mendez five-pointed star) above the newly built tower. The caption reads, "Europe—many tongues, one voice". Those who are in leadership in establishing this New Order are truly religious, not atheist, as we are led to believe. But whom do they worship? The poster clearly shows their god is Lucifer and they are proud of it.

## NEW AGE PROFESSORS TEACH OUR CHILDREN'S TEACHERS

Turning now to education, let's quote a few of the top US spokesmen and professors in that field, to see the overall philosophy used to train our teachers, who then go on to prepare our children for the New World Order.

Dr Chester R. Pierce, a Harvard University professor, humanist and NWO guru, who instructs teachers and those students who aspire to become teachers, states:

"Every child in America who enters school at the age of five is mentally ill, because he comes to school with an allegiance to our institutions, towards the preservation of this form of government that we have. Patriotism, nationalism, and sovereignty, all that proves children are sick because a truly well individual is one who has rejected all of those things, and is truly the international child of the future."

Dr Paul Brandwein, a leading US child psychologist who instructs teachers on how to recognise mental disability in our school children, states:

"Every child who believes in God is mentally ill."

Dr Sidney Simon, a lecturer and educator, who, some say, specialises in encouraging immoral and criminal activity in youths, instructs teachers as follows:

"We do not need any more preaching about right and wrong. The old 'thou shalt nots' simply are not relevant... Values clarification is a method for teachers to change the values of children without getting caught."

One of the great gurus of mental health, Dr G. Brock Chisholm, first head of the World Federation of Mental Health, speaks:

"What basic psychological distortion can be found in every civilisation of which we know anything? The only psychological force capable of producing these perversions is morality—the concept of right and wrong. The re-interpretation and eventual eradication of the concept of right and wrong are the belated objectives of nearly all psychotherapy. The pretence is made that to do away with right and wrong would produce uncivilised people, immorality, lawlessness, and social chaos. The fact is that most psychiatrists and psychologists and other respected people have escaped from moral chains and are able to think freely."

Police officers have been among the first to notice that such teachings have produced exactly the results the good doctor said they would not produce. He lied. There is no greater promoter of change

**"The business of the journalist is to destroy the truth; to lie outright; to pervert; to vilify; to fawn at the feet of mammon; and to sell his country and his race for his daily bread."**

John Swinton, former Chief of Staff  
*The New York Times*

than fear, and no greater creator of fear than chaos and lawlessness throughout a nation. The enemy of our system knows that immorality breeds chaos and lawlessness. Chaos and lawlessness breed fear in people, and when fearful enough the people will accept any solution. Guess what that solution is?

## TRAITORS' GRAND FINALES

### Plan A: Race Wars

We will see the fanning of the flames of their planned race war programme in the months ahead as government, through some of their covert national organisations, promotes 'whites hating people of colour' and vice versa. Aided by their controlled media, and NWO government-paid agitators/leaders' on both sides, the goal is to frighten Americans, of all colours, into accepting martial law. These elitists have no love for 'minorities' or 'commoners' of any race.

Incoming intelligence over the years has informed us that the *agents provocateurs* of the NWO are of all racial mixes. Yes, whites, blacks, hispanics, etc., are involved in promoting planned racial hate incidents and tensions to assist in causing the masses to accept martial law and serve the NWO gang. Although these *employee/provocateurs* have been promised a position of power in this 'utopian' socialist society, it is a shame that they are not smart enough to know that they are to be 'eliminated' when their usefulness has run out (as has been the practice of every Marxist/socialist conquering army after taking power).

### Plan B: Ecological Collapse

The globalists, along with their controlled media, are well along in their promotion of their Plan B programme. Here it is: with the threat of nuclear war supposedly subsiding, the American people 'must have' a new boogie man!

Ecological collapse: this phase involves the fraud of the 'imminent ecological collapse of the world'. This phase is being promoted by those who were not able to completely destroy America with Marxism. These NWO Marxists have therefore started, or taken over, the various green (environmentalist) parties. Many wonderful, good-intentioned Americans are being duped into assisting with this fraud. Sadly, some are our families and friends.

### Plan C: Visitors from Afar

This phase makes certain that few Americans escape the NWO programme. How? By creating total panic. This is accomplished with three choices being offered to the gullible. The globalists have 'suddenly' brought to light their long-planned and well-established 'UFO/little devils from outer space' con to strike utter fear into the hearts of all people on earth.

The first choice: the subtle message to us, 'the masses', is that if we don't go willingly and gently into global government, we will be 'eaten', 'raped', or become the experimental guinea-pigs for some far-out evil 'space cadets'. And, of course, you can't ask for assistance and protection from your own country's government because, as we have all been told, "no individual nation could possibly stand a chance in defence against this obviously 'superior' race from outer space". Ah, but isn't it wonderful that 'salvation' is only a one world government away!?!?

A second twist to the scenario is: these 'cute little space things' are our bosom buddies; they bring tidings of goodwill, and come 'conveniently' to save our world from the brink of total destruction! Isn't that precious?

In other words, this particular plan is to convince gullible Americans that anyone or anything (but that Jesus Christ 'guy') will save our world. Quite 'coincidentally', these same 'funny little fellows' are also here to set up a utopian global society! Surprised?

And the newest twist to the con (to grab religious Americans that did not fall for the first two) is that: Christ himself has sent these wonderful little 'UFO things', in his place, to save us. (Suggesting, we suppose, that Jesus Christ got busy and had to 'delegate'. And as soon as these 'wonderful' space 'disciples of Christ' get us all together in a new world society, He (Christ) will be along to take over. Think of them as God's secret service advance team!) Believe it or not.

Is something there?... 'Out there'? Absolutely! But, are they truly coming from 'out there'? We are not to be told, at this time, the truth about what these entities are, nor who has absolute control over them. If we were told the truth we would never fall for their New World Order UFO con. In all seriousness, for anyone that does not believe that the UFO scare is a contrived fraud, it should be agreed that the wise position to take is on the side of caution. Consider it possible that those who promote the NWO plan are presently involved in a 'trial run' of all three of the above-described UFO scenarios. Such plans are being promoted by the globalists, among those whom they consider to be the 'wacko', 'radical', 'extremist', nationalist, pro-American organisations, in order to test which scenario is more acceptable... The great delusion—will you be caught?

## COMMUNISM GONE?—DON'T TAKE ANY BETS!

V. I. Lenin: "It would be the greatest mistake, certainly, to think that concessions mean peace. Nothing of the kind. Concessions are nothing but a new form of war."

Dmitri Manualisky, Soviet diplomat (1947), revealed the communist intention to brainwash the American public: "We will offer the Christian world unheard-of peace overtures, and these nations, stupid and decadent, will leap at the chance to be our friends; they will willingly cooperate in their own destruction. Then, when their guard is down, and they have gone to sleep, we will smash them with our clenched fist."

Many gullible Americans and the controlled US media will gush, "The above statement was uttered a long time ago and things have truly changed in the new Commonwealth of 'Independent' States (CIS)." Is that so? Read on.

Mikhail Gorbachev's speech at the 70th anniversary of the Bolshevik Revolution (1987):

"...In October 1917 we parted with the old world, rejecting it once and for all. We are moving toward a new world, a world of communism. We shall never turn off that road."

And his speech to the Soviet Politburo, November 1987:

"Gentlemen, comrades, do not be concerned about all you hear about *glasnost* and *perestroika* and democracy in the coming years. These are primarily for outward consumption. There will be no significant internal changes in the Soviet Union, other than for cosmetic purposes. Our purpose is to disarm the Americans and let them fall asleep. We want to

accomplish three things. One, we want the Americans to withdraw conventional forces from Europe. Two, we want them to withdraw nuclear forces from Europe. Three, we want the Americans to stop proceeding with the Strategic Defence Initiative."

General Sir Walter Walker, former NATO Commander-in-Chief, following the phoney Soviet coup, said:

"I consider it my duty to tell you of the extremely dangerous threats that lie ahead. I know for certain that we are now in a period of the greatest strategic deception, perhaps in all history... The Cold War is not over, only in the state of remission... The Soviet Union is not truly 'on the verge of collapse'. Western defence, on the other hand, is."

Fact: Russian intelligence agencies are working as hard as ever at espionage in the United States. Both the DCI Robert Gates and FBI Director William Sessions have spoken out on the high level of Russian intelligence collection efforts in recent months, now known by its Russian acronym SVR. Senior FBI counter-intelligence official, Wayne Gilbert, states the same thing. "There has been no apparent reduction in covert intelligence gathering here by the Russians."

Fact: The KGB is still in control. As America's global elite purposely cut back on US intelligence activities, they know the KGB is functioning more effectively than before the alleged breakup of the Soviet Union. It is housed under the new Russian Ministry of Security. It has been greatly strengthened by Yeltsin and is involved in more espionage activities against the west than ever before. As has

"... In October 1917 we parted with the old world, rejecting it once and for all. We are moving toward a new world, a world of communism. We shall never turn off that road."

Mikhail Gorbachev

happened four times in the past, after we (the west) once again rebuild the communist infrastructure, the same old KGB with a new face will step from its behind-the-scenes control of the CIS to outwardly reclaim control of the 'new', revitalised, rearmed, and more powerful Soviet Union.

Fact: America and Canada are disarming unilaterally.

Fact: Unknown to the masses, each of the nations that have split off from the 'defunct' Soviet Union is presently covertly led by hard line communists.

Fact: The 'defunct' Soviet military is presently building more offensive weapons of all types than at any other time in its history. Production rate: one tank division per month, 700 new fighter aircraft (approx. 58 per month) in 1991 and 1992, one nuclear submarine every two months, numerous tactical nuclear bombs and mobile launchers (actual number unknown). This intel update is per US intelligence sources, 6/92.

As with the last four times this con job of a 'communist collapse' was perpetrated, all of this rearming and dramatic increase in espionage is being accomplished while the communists' economy 'crashes'.

We must understand that this military build-up can only occur as long as American tax dollars continue to feed the Commonwealth of 'Independent' States people. And that is part of the NWO plan.

Obviously, this has been an unbelievable con job that started in 1917, when Jacob Schiff of Kuhn, Loeb and Company, Prescott Bush, Max M. Warburg and a few others, sent Leon Trotsky, with his 300 New York-trained private army of street thugs, to Russia with \$20,000,000 in gold to finance Lenin and start the Bolshevik Revolution. These men started communism for one reason—to promote the take-over of our nation of free people by socialists so Americans would not be able to stand in the way of their New World Order plans. There was no way they could do this if America remained free, strong, and had no real threats to her security. For this reason, they built America an enemy!

## LOS ANGELES RIOTS—AN ORCHESTRATION

Trusting people are so unaware of what is happening, and continue trusting the same government that has promoted and planned anarchy in the streets, precisely to scare them into submission.

A prime example was the Los Angeles riots. The beating of Rodney King was not part of the plan, but it offered a grand opportunity to accomplish three important things for the globalists:

1) Get rid of Chief Gates (former head of L.A.P.D.), who for years had stood in the way of the socialist/NWO gang member Tom Bradley (L.A. Mayor) and others involved in trying to get the L.A. Police Department into the coming national police force. (See the new book, *The Centralization of US Police Powers*, available from the US Federal Law Research Center, PO Box 8712, Phoenix, AZ 85066, USA.)

2) Further convince the people that their only salvation from crime and evil in society will be found in the 'protection' provided by a global government.

3) A grand opportunity for globalists to practise FEMA-style martial law. It matters little that some of the masses have to die. Remember, the new government philosophy is the same as that of the communist: "The end does indeed justify the means."

Once again, the masses were to think that everything was out of control. It was not (the riots were planned). But it was a good enough reason that in a matter of hours 2,000 US marines were on the streets of an American city. This was a very important test. A most severe breach of constitutional law was brought to bear; and, more importantly, the people said nothing. The masses complained only that the government should have acted sooner and in greater strength. For, when there is anarchy in the streets, the 'sheep' do not care who saves them. This planned martial law scenario actually worked out

better than the NWO planners ever expected.

Los Angeles County Sheriff's Detective Larry Brown, speaking in Phoenix, Arizona, in August 1992, stated that there was more behind the riots than the public knows. He revealed that known agitators from the Revolutionary Communist Party (RCP), the Socialist Workers Party (SWP), the Progressive Labor Party (PLP) and the Socialist Organizing Network (SON) were there to press for a riot before it started, and some members of these organisations participated in the rioting, looting and arson.

He said that Mayor Bradley gave a very inflammatory statement that was broadcast on L.A. TV before the riots. He states that many police officers already know, that Mayor Bradley has strongly supported the Communist Party USA since he first ran for mayor.

Some of our fellow officers in southern California believe, after evaluation of the evidence and results, that the outcome of the trial was planned by certain government officials and carried out with precision by the judge and prosecutor. There is no doubt that it was understood what a 'not guilty' verdict would accomplish—creating anarchy in the streets and terror in the hearts of US citizens. The goal—to get the citizens to give up their Bill of Rights so that their government can make their streets safe again through global government.

## REMEMBER—IT CAN'T WORK WITHOUT YOU

Now realise that for any plan, that would subjugate Americans, to have a chance to succeed, the people's protectors must go against their solemn oath and assist other seditionists and traitors in such criminal acts. So we must ask our fellow officers again, "Will they be like those who have used pathetic statements such as, 'Well, it's the law, so I have no choice but to enforce it?'"

As many officers know, that has been the lame excuse offered by the people's 'protectors' in all the Marxist nations of the world for the last 75 years of totalitarian rule. "But I was only following orders" has always been the most popular 'last words' of obedient government officials. Lest we forget

Nuremberg!

All over this nation, law officers, guardsmen and military personnel are awakening to this oncoming planned disaster. Many are beginning to take a stand against the New World Order agenda. They now understand that if they do not side with the people, but allow themselves to be used to enslave the masses, they will become the enemy, keepers and executioners of their own countrymen. Our plan—to shut down the establishment's NWO slave state by re-educating and returning the patriotic people's servants and protectors to the side of the people—is working as we speak. Remember—if law officers don't enforce treason, it won't get enforced. ∞

The beating of Rodney King was not part of the plan, but it offered a grand opportunity to accomplish three important things for the globalists ...
